Experiment 8: Public Land Mobile Network (PLMN) Infographic

Aim: To create an infographic explaining the concept of a Public Land Mobile Network (PLMN) using Figma.

Procedure:

1. Create a new infographic frame.
2. Add the major components, including mobile stations, radio access infrastructure, and the core network.
3. Include subscriber management and switching functions.
4. Connect the components using arrows.
5. Add brief descriptions of each component.
6. Use suitable icons, colours, and headings to complete the infographic.

OUTPUT:
